

# RESEARCH TRAINING OPPORTUNITIES

## 2026/27

### Internships

Develop your knowledge and skills in applied health or care research with an entry-level internship:

- 30 days (225 hours) over 4 - 12 months
- Up to £10k salary backfill
- £2k training budget

### Pre-Doctoral Fellowships

Dedicate up to 0.5 FTE over 12 months developing your PhD proposal with the support of ARC-GM:

- Up to £25k salary backfill
- £2k training budget
- £1k Patient and Public Involvement budget

Are you a health or social care professional\* interested in developing your career in applied research?

The NIHR Applied Research Collaboration Greater Manchester (ARC-GM) welcomes applications to their Internship and Pre-Doctoral Fellowship Programmes to start in September 2026.

*\*Nurse, midwife, pharmacist, allied health, social care and public health professionals, including commissioners and policy makers.  
Medics and dentists are not eligible.*

### Key Dates
